

Welcome!

Rush Union Update

We have reached the end of another great season of soccer. We know that the end of the school year brings a different level of excitement and anticipation for families who may be traveling or planning for summer camps and programs. We have many great things coming up over the summer at Rush Union Soccer including a large variety of summer programs and community events that folks can get involved with like the Dunwoody July 4th Parade. These programs include but are not limited to; training programs, weeklong camps, 4v4 or 7v7 team play, mini camps, futsal, and our Complete Player Camp at the end of the summer. Please check out all the options we have available this summer via our website and of course reach out if you have any questions.

Our expanded program options offered this spring, included Advanced Rec Skills training and Futsal Program, which were offered in both locations, and Brazilian Soccer Skills which was offered in our Milton location were all a huge success. We will continue to look for ways to diversify our program portfolio to further engage all our families. For more information on all our programs please visit our website.

Tryouts for our competitive programs will start in mid-May. Please be sure to register for Tryouts on our website or via your Demosphere account. If you know anyone who is interested in trying out for a spot on one of our competitive Pre-Academy, Academy or SCCL teams please let us know so we can help them register for Tryouts. Specific tryout information and registration details can be found on our website now!

We believe in keeping our membership updated on the many great things going on at Rush Union Soccer. To that end, our annual "State of the Union" parent information evening was held on April 24th at 7:30pm. This meeting was held via Zoom and provided an update on the past year at Rush Union as well as things to look forward to in the Fall 2024-Spring 2025 seasons. The meeting was recorded for anyone that did not have the opportunity to attend in person. A link to the recording can be found here: [Rush Union State of the Union: April 24, 2024 - YouTube](#)

One part of our annual meeting is the solicitation of feedback from our membership. Below in this newsletter you can find the QR Code and link to complete a short survey and continue to help Rush Union Soccer serve our membership in the best way possible.

During the Annual meeting, one of the most exciting updates was the release of our brand-new logo. We are thrilled to share this update here and on all our correspondence moving forward. The new logo represents the organization we have become over the last four years. It includes the National Rush "R", the date of our inception, the RU that people have come to recognize, and very importantly our new mission statement. I would like to take this opportunity to thank everyone involved in the creating of our new crest and we are happy to share this with our membership and community.

With our new logo and brand expansion, we are delighted to announce new spirit wear items will be coming soon. Below in this newsletter, you can find some of the sample ideas and how this will look on apparel. We will be updating everyone as soon as spirit wear is available for purchase so you too can represent Rush Union Soccer with pride.

During late April we had a very special visit from the Rush Select Academy. The RSA is a residential soccer school based in Port St Lucie. Staff from RSA spent time with some of our athletes on the field, conducted a parent education session and a coaching development workshop. We are always looking for ways to show the expansive variety of programs that Rush National has to offer. Please look for more exciting opportunities in the future.

Many of our programs require additional support from our membership and community. We would like to take this opportunity to recognize some of those special individuals for their volunteerism or special contributions. These special folks have gone above and beyond and were nominated for special recognition by a member of our staff. Please read below for more details.

If you have any questions about Rush Union, our programs or anything soccer related please reach out to our staff at any time.

Thank you for being part of our Rush Union family. We look forward to seeing you back on the field soon.
